

# DATA PACKAGES

Get a data package that includes email, web browsing and more.

**Here's what you can do:**

- Check personal email on the go with popular Internet-based email accounts, including Yahoo!<sup>(R)</sup> Mail, Gmail<sup>TM</sup>, Windows Live<sup>®</sup> Hotmail<sup>®</sup> and Verizon.net
- Personal email is included with all data packages, or is available for \$5/month for basic phones without a data package.
- Get access to server-based Corporate Email running on Microsoft Exchange, IBM<sup>®</sup> Lotus<sup>®</sup> Domino<sup>®</sup>, or Novell<sup>®</sup> Groupwise<sup>®</sup>, and/or company intranet sites for an additional \$15 monthly access on the \$30 data package (included in the \$50 and \$80 data packages for a limited time).
- Browse the web whenever you want and download the latest games, apps, Ringtones and more.

Data charges apply for all data sent or received using our network, including data used by applications that run in the background. Standard messaging rates apply for messages initiated from an application or game.

Data Packages for Basic Phones & Smartphones <sup>1</sup>		
Monthly Data Allowance	Monthly Access	Rate After Allowance
75 MB (for basic phones only)	\$10	\$10/75 MB
2 GB <sup>2</sup>	\$30	\$10/ 1 GB
5 GB	\$50	
10 GB	\$80	

Data packages may not be used to tether your smartphone or basic phone to a computer or tablet, or as a Wi-Fi hotspot, unless you subscribe to Mobile Hotspot/Mobile Broadband Connect.

Mobile Hotspot/Mobile Broadband Connect <sup>3</sup>	
Extend the capability of your device – increase your data package with an additional 2 GB of data each month for an additional \$20 per month and enable:	
<b>Mobile Hotspot</b> Using your smartphone, share your data allowance with multiple Wi-Fi-enabled devices. No additional drivers or software necessary.	<b>Mobile Broadband Connect</b> Use your smartphone or basic phone as a modem to get instant online access on your computer.

**Additional Information:** Please see [Global Services for information on Data Roaming](#).

**To keep track of your data usage:** Dial **#DATA (#3282)** and press send from your wireless device. Check out My Verizon Online. My Verizon Mobile or My Business Account. Use the Smartphone Data Usage Meter on Android and select BlackBerry devices.

<sup>1</sup>Smartphones require a 2 GB data package or higher. When using 4G Smartphones, 4G speeds will be available within 4G coverage. When traveling in the 3G Coverage Area, you can expect download speeds of 600 Kbps - 1.4 Mbps and upload speeds of 500 – 800 Kbps. When traveling in the Extended 3G Coverage Area, you can expect download speeds of 400 – 700 Kbps and upload speeds of 60 – 80 Kbps.

<sup>2</sup>The 2 GB data package is not eligible for discounts.

<sup>3</sup>Requires a 2 GB data package or higher. Wi-Fi (encryption) and Internet security measures are recommended (e.g., firewall software and current patches for operating systems and applications). Overage charges are billed per your data package.
