## Global

### Outside the U.S.:

One device. One number. One bill. Enjoy convenient, reliable voice service in more than 220 countries.<sup>1</sup> Use any Verizon Wireless phone in more than 40 popular countries worldwide, including Canada, Mexico, and select Caribbean and Asian countries.

#### Global Value Plan

Get discounted voice rates in more than 150 countries. Just \$4.99 per voice line per month.

#### Global Messaging

No time to call? No worries. Use your phone to send picture, video and text messages while traveling the world.

#### Occasional Global Traveler

Use our Global Travel Program for occasional travel abroad in most overseas locations. Wireless voice- and data-capable devices are available.

While in the U.S., Canada, U.S. Virgin Islands and Puerto Rico, text messages sent to phone numbers in Canada, Mexico and Puerto Rico are charged domestic rates per your Plan.

## Global Data

Add the following data options to your domestic data plan or voice plan package to access important information on your smartphone, basic phone and Mobile Broadband-capable devices.

Global Data	
Monthly Data Allowance	Monthly Access Per Line
<b>50 MB</b>	<b>\$30</b>
<b>150 MB</b>	<b>\$75</b>
<b>300 MB</b>	<b>\$125</b>
<b>Rate After Allowance: \$0.002/KB (\$2.05/MB) in Canada and \$0.005/KB (\$5.12/MB) in all other countries</b>	

Domestic data plan required in order to add a Global Data package. Data allowance may be used in 110+ countries worldwide. Roaming rate for countries outside of the allowance area is \$0.02/KB (\$20.48/MB)

## Pay Per Use

If you travel out of the country infrequently or for short periods of time, you may opt to be charged a Pay Per Use rate instead of purchasing a data plan.

Pay Per Use Date Roaming		
Canada	Mexico	Other Available Countries
\$0.002/KB (\$2.05/MB)	\$0.005/KB (\$5.12/MB)	\$0.02/KB (\$20.48/MB)

In certain countries, based on device type (e.g., 4G or 3G), network type (e.g., CDMA) and geographical location (e.g., country code 1), global voice and/or data roaming services will be immediately available at the rates applicable to those countries. In other countries, you must first meet International Eligibility requirements and may need to activate a SIM card for global voice/data roaming services. **The majority of your monthly usage must be in the U.S.** GSM and UMTS roaming is not currently available on 4G devices. 3G coverage not available everywhere.

**Puerto Rico and the U.S. Virgin Islands are included in the 3G Data Coverage Area. Standard rates apply.**
