Minimum Contract Term- Each line requires a month-to-month or two-year contract.

Activation Fees – There is a \$35 Activation Fee per line.

Early Termination Fees – The Early Termination Fee is up to \$175, or up to \$350 if your contract term results from your purchase of an Advanced Device (e.g., a smartphone, tablet or netbook). If you're activating Mobile Broadband Plans or you're on a month-to-month term, you are not eligible for monthly access fee discounts.

As of October 1, 2011, they can add between 6% and 40% to your standard monthly access and other charges. Monthly Federal Universal Service (15.3% of interstate and international telecom charges, as of October 1, 2011; varies quarterly based on FCC rate), Regulatory (\$0.16 per line for Nationwide Plans; \$0.02 per line for Mobile Broadband Plans) and Administrative (\$0.99 per line for Nationwide Plans; \$0.06 per line for Mobile Broadband Plans) charges are Verizon Wireless charges, not taxes, and are subject to change.
