Assurion Wireless Phone Protection: Covers Lost Devices, Theft, and Accidental Damage such as water, liquid or physical damage.

Roadside Assistance: Sometimes things get bumpy. But don't worry – emergency roadside help is only a call away, anywhere in the U.S. and Canada, 24/7. With Verizon Wireless Roadside Assistance, you're covered when you have your wireless phone with

you, regardless of the vehicle you're in. Includes: Towing Service, Lockout Service, Battery Boost & Tire Changes, Fuel Delivery.

Backup Assistant: Never lose your contacts again! Automatically back up your address book - wirelessly. Schedule a daily automatic backup to the online backup service, Store and update important numbers online; then easily upload them back to your phone. Quickly download stored information to your next Verizon Wireless phone. Not available on all devices.

Usage Controls: Protect your pocketbook against overage charges and save time with automatic updates on family members' usage. Our tools help you create the digital experience that's right for your family. Use My Verizon to set monthly voice and messaging allowances and receive free text messages when family members near and reach their allowance. When you establish a messaging allowance, billable messages can no longer be sent or received once the allowance is reached. Block unwanted calls and text messages from being sent or received. Designate specific times of the day or days of the week that are restricted from voice, messaging and data usage. Designate trusted numbers that can always communicate with family members. Usage Controls is not guaranteed to be precise or accurate. Usage Controls requires a supported, capable device on a Nationwide Plan and does not work with Text Messaging Block, V CAST Mobile TV, or Mobile IM 3.0 or higher. May not work outside the National Enhanced Services Rate and Coverage Area.

Family Locator: Keep track of your family, easily locate one or more family members' locatable devices from your device or your PC. If you have VZ Navigator (subscription required), you can get turn-by-turn directions to the location of your family member's device. With arrival and departure updates you can set predetermined locations – like school, work, home and soccer practice – then get an instant update when your family members enter or leave the location.

Content Filters: Make sure family members access only what you want them to. This free service uses a rating system to let you manage access to age-appropriate content in V CAST Video on Demand, Premium Messaging Services, V CAST Music with Rhapsody®, Mobile Web and more.

Spam Controls: Prevent unwanted inbound calls and messages with our free spam control service.

Mobile Email: get your emails on your phone while you're on the go. Alerts when new email has arrived. Works with popular POP3 and IMAP email accounts, including Yahoo! Mail, AOL Mail, Windows Live (hotmail) and Verizon.net

Data Packages: Get email, the web, games, apps and more for your phone. Feature added to Nationwide Plans. Two packages available. Data Package of \$9.99 or higher required for 3G Multimedia Phones.

Email & Web for Blackberry / Email & Web for Smartphone: get email and surf the web on your Blackberry or smartphone. Access up to ten popular POP3 and IMAP email accounts, including Yahoo! Mail, AOL Mail and Verizon.net. Unlimited email and web browsing. Easy email account setup. Feature added to Nationwide Plans. All 3G Smartphones/Blackberries require a data package of \$29.99 or higher, or a data plan. These features are designed for personal, consumer use and are not compatible with some Internet email service offerings or with email applications utilizing Blackberry Enterprise Server, BlackBerry Desktop Software, Wireless Sync or Wireless Sync Enterprise Server or Good Mobile Messaging. These features cannot be used to tether your device to laptops, personal computers or other devices for any purpose other than syncing of data; any other use is not permitted using these features. Service is only available in the National Enhanced Services and Extended National Enhanced Services Rate and Coverage Areas.
