Additional Information

- Anytime Minutes, Night & Weekend Minutes and Per-Minute Rate are for use within the Nationwide Plus Canada or Nationwide Plus Mexico Rate and Coverage Areas, as applicable. National Mobile to Mobile Calling Minutes are for domestic calls from within the Nationwide Rate and Coverage Area. Roaming in Canada outside of the Nationwide Plus Canada Rate and Coverage Area is \$0.69 per minute.
- Each line requires a month-to-month or two-year contract.
- For most lines, there is a \$35 activation fee. If you have a secondary Family SharePlan[®] or secondary Nationwide 65 Plus line with a two-year contract term, then the activation fee is \$25.
- The Early Termination Fee is up to \$175, or up to \$350 if your contract term results from your purchase of an Advanced Device after November 14, 2009. For a complete list of Advanced Devices, go to verizonwireless.com/advanceddevices
- Digital service, features and promotions are not available in some areas and may not follow you across the entire Nationwide rate area and may be limited to the Verizon Wireless digital network. Plans are not available in all areas.
- Taxes, surcharges and fees:
 - The market you're in determines taxes, surcharges and fees, such as E911 and gross receipt charges. As of May 1, 2011, they can add between 6% and 39% to your standard monthly access and other charges.
 - Monthly Federal Universal Service Charge (14.9% of interstate and international telecom charges, as of April 1, 2011; varies quarterly based on FCC rate), Regulatory (\$0.16 per line for Nationwide Plans, \$0.02 per line for Mobile Broadband Plans) and Administrative (\$0.83 per line for Nationwide Plans; \$0.06 per line for Mobile Broadband Plans) charges are Verizon Wireless charges, not

taxes, and are subject to change. For more details on these Verizon Wireless charges, call 1-888-684-1888.

Data charges are additional on all plans. All Smartphones required a data feature of \$30 or higher. Data sent or received in Canada is billed at \$0.002/KB or \$2.05/MB. Data sent or received in Mexico is billed at \$0.005/KB or \$5.12/MB. One megabyte is equal to 1024 kilobytes.

Plan requires International Dialing (I-Dial) capability on your account, which is subject to a minimum payment history. Verizon Wireless will terminate your service for good cause if less than half of your voice calls over three consecutive billing cycles are from within the Nationwide Rate and Coverage Area.

Unlimited Mobile to Mobile Calling does not apply while in Canada or Mexico

¹Requires International Eligibility and a majority of monthly use in the U.S.

²Text messages while roaming in Mexico are \$0.50 per message sent (per recipient) and \$0.05 per message received. Data Roaming charges apply.
