National Mobile to Mobile Calling Minutes are for domestic calls from within the Nationwide Rate and Coverage Area. Roaming in Canada outside of the Nationwide Plus Canada Rate and Coverage Area is \$0.69 per minute.
- Each line requires a month-to-month, one- or two-year contract.
- For most lines, there is a \$35 activation fee. If you have a secondary Family SharePlan[®] or secondary Nationwide 65 Plus line with a two-year contract term, then the activation fee is \$25.
- The Early Termination Fee is up to \$175, or up to \$350 if your contract term results from your purchase of an Advanced Device after November 14, 2009. For a complete list of Advanced Devices, go to verizonwireless.com/advanceddevices
- Digital service, features and promotions are not available in some areas and may not follow you across the entire Nationwide rate area and may be limited to the Verizon Wireless digital network. Plans are not available in all areas.
- Taxes, surcharges and fees:

- The market you're in determines taxes, surcharges and fees, such as E911 and gross receipt charges. As of September 1, 2009, they can add between 5% and 37% to your standard monthly access and other charges.
- Monthly Federal Universal Service Charge (12.3% of interstate and international telecom charges, as of October 1, 2009; varies quarterly based on FCC rate), Regulatory (\$0.07 per line for Nationwide Plans, \$0.02 per line for Mobile Broadband Plans) and Administrative (\$0.92 per line for Nationwide Plans; \$0.06 per line for Mobile Broadband Plans) charges are Verizon Wireless charges, not taxes, and are subject to change. For more details on these Verizon Wireless charges, call 1-888-684-1888.

*Data package of \$9.99 or higher required for 3G Multimedia Phones. All 3G Smartphones required a data feature of \$29.99 or higher, or a data plan.
